# THE JOURNEY

## GULSHAN CLUB OLYMPIAD 2026

The Gulshan Club Olympiad began in 2019 with a modest gathering of ten clubs, 337 participants and nine sporting events. It was founded on a simple but meaningful belief, that sport has the power to bring clubs and their members together, build friendships and create a spirit of healthy competition.

Since then, the Olympiad has continued to grow, with successive editions in 2022, 2023 and 2024 strengthening its reach, participation and reputation as an important inter-club sporting event.

The 5th Gulshan Club Olympiad in 2025 marked a major milestone in this journey. It brought together 22 clubs and 1,222 participants, competing across 17 sporting disciplines and 34 categories. From its beginnings with ten clubs, the Olympiad has grown into a much larger platform, welcoming more clubs, athletes and sporting enthusiasts from across Bangladesh and beyond.

Building on this success, Gulshan Club Limited is proud to present the 6th Gulshan Club Olympiad 2026. We look forward to making this edition bigger, more inclusive and more exciting, while encouraging greater participation, particularly among the younger generation.

The Olympiad is about much more than winning medals and trophies. It celebrates sporting excellence, teamwork, discipline, friendship, fellowship and mutual respect. It provides members of participating clubs with an opportunity to discover and develop their talents, build lasting relationships and experience the joy of sport.

At a time when young people need more opportunities to engage in healthy outdoor activities, we also see the Olympiad as an opportunity to promote an active lifestyle, positive values and a stronger sense of community.

We warmly welcome all participating clubs, members, athletes, officials, partners and supporters. Together, let us celebrate the spirit of sport and make Gulshan Club Olympiad 2026 another memorable chapter in this remarkable journey.

## GULSHAN CLUB OLYMPIAD
# Message

Welcome to the Gulshan Club Olympiad 2026!

The success of last year's Olympiad has inspired us to make this year's event even bigger and better. In 2025, we welcomed more than 1,222 participants from 22 clubs across Bangladesh including our expatriate clubs, making it the biggest Olympiad ever hosted by Gulshan Club.

The introduction of the Running Trophy, new sporting events, and a silver medal category brought fresh excitement to the competition. These initiatives made the Olympiad more engaging and competitive while encouraging greater participation across clubs and sporting disciplines.

We are delighted to see our sponsors and partners extending even greater support this year, inspired by the success of the previous Olympiad. My sincere thanks go to all participating clubs, athletes, sponsors, partners, and members of the organising team for their hard work and commitment. I would also like to express my special appreciation to our President, M. A. Quader (Anu), whose direct involvement, guidance, and support have been instrumental in making this event possible.

This year, we are not simply seeking to repeat last year's success, we are moving forward with greater ambition, stronger support, and a deeper commitment to making the Olympiad 2026 a memorable event that brings together athletes, clubs, and supporters in the spirit of competition and fraternity. With new initiatives, wider participation, and the continued support of our clubs, partners, sponsors, and dedicated team, we look forward to creating an Olympiad that will be remembered with pride.

I look forward to welcoming everyone from 27 November to 5 December 2026 for another memorable Olympiad filled with sportsmanship, friendship, and healthy competition.

Let us come together to make the Gulshan Club Olympiad 2026 another great success.
