Message

It gives me immense pleasure to extend my warm greetings and heartfelt congratulations to all the participating clubs and athletes of the Gulshan Club Olympiad 2025.

Since its inception in 2019, the Gulshan Club Olympiad has grown steadily into one of the most anticipated inter-club sports carnivals in the country. Continuing its proud journey through subsequent editions, including the memorable 2025 event, the Olympiad has consistently upheld its spirit of unity, sportsmanship and healthy competition among leading social clubs.

This year's edition once again brought together distinguished clubs such as The American Club (AEEA), Banani Club Limited, Baridhara Cosmopolitan Club Limited, Cadet College Club Limited, Chittagong Club Limited, Dhaka Club Limited, Gulshan Youth Club Limited, and many others. With competitions held across 17 sporting disciplines including Tennis, Cricket, Football, Squash, Badminton, Swimming, Snooker, Pool, Golf, Table Tennis, Basketball, Chess, Arm Wrestling, Quiz and Weightlifting, along with the introduction of Padel as a new addition this year. The Olympiad provided a truly inclusive platform for athletes to demonstrate their skill, discipline, and passion for sports.

I am delighted to note that Gulshan Club Limited emerged as the Champion in the overall medal tally, securing a total of 35 medals, including 10 Gold, 13 Silver, and 12 Bronze. AEEA (The American Club) delivered an impressive performance with 7 Gold and 3 Bronze medals, followed by Cadet College Club Limited with 4 Gold, 5 Silver and 2 Bronze. Several other clubs also achieved commendable results, contributing to the vibrant competitive spirit that defines this Olympiad. The Champion and Runner-up teams were duly recognized with trophies in appreciation of their outstanding performances.

The primary objective of the Olympiad remains to promote sportsmanship, encourage active participation in sports and strengthen bonds of friendship and mutual respect among clubs. Sports continue to play a vital role in enhancing physical and mental well-being while fostering a culture of inclusion and harmony within society.

I would like to express my sincere gratitude to all participating Club Presidents, athletes and members, as well as to our home club members for their wholehearted involvement and support. My heartfelt appreciation goes to our valued partners- Standard Chartered, Prime Bank, BRAC Bank and Mutual Trust Bank, along with our broadcast partner- T Sports, Venue partner- Gulshan Youth Club, and all hospitality and media partners for their continued support, cooperation and encouragement in making this initiative a success.

I extend my special thanks to the Advisor, Chairman, Vice-Chairman Convenors, and all members of the Olympiad Organizing Committee-2025 for their dedication, commitment, and tireless efforts in successfully organizing the event and bringing out this commemorative souvenir.

As we reflect on the journey that began in 2019 and continues to grow stronger with each edition, we remain committed to further strengthening this platform for future generations through collective effort and shared passion for sports.

Wishing all participants continued success and excellence in the days ahead.

Chairman Gulshan Club Olympiad

Message

The Gulshan Club Olympiad 2025 stands as a testament to the power of sports in bringing people together. More than a competition, it is a celebration of friendship, fraternity, teamwork, and the enduring values that unite the Gulshan Club family with our fellow clubs. Gulshan Club has always been more than just a club, it is a family where children, young members, and families come together every day to enjoy sports, recreation, and build lifelong friendships. This year, that spirit reached new heights as we introduced the Torch Run for the very first time, symbolizing unity, passion, and the spirit of the games. The Olympiad flame burned proudly throughout the eleven days of competition, inspiring participants and creating a memorable new tradition for the Gulshan Club Olympiad.

For the first time, we also introduced Padel and Powerlifting to the Olympiad. Both events received tremendous enthusiasm from participants and spectators alike. I must especially congratulate our Powerlifting team, whose outstanding performance played a crucial role in helping Gulshan Club retain the prestigious Running Trophy this year. My heartfelt congratulations to the entire team for their dedication, hard work, and remarkable achievement.

We are proud that the Gulshan Club Olympiad 2025 witnessed the highest participation in its history, with more than 1,200 participants representing 22 clubs from across the country. The enthusiasm, energy, and competitive spirit shown throughout the games made this Olympiad vibrant and unforgettable. Another encouraging aspect this year was the record participation from expatriate members and clubs, which added an international dimension to the event and strengthened friendships across cultures and communities.

The Olympiad also received extensive media coverage, including live telecasts, allowing the excitement of the games to reach a much wider audience. In addition, for the first time, we engaged social media influencers and digital content creators who captured and shared videos and photographs from the events across all participating clubs. Their efforts gave the Olympiad a fresh digital presence and helped connect the event with younger audiences.

While we celebrate these achievements, I would once again like to emphasize something that is very important to me. I sincerely hope to see greater female participation in future Olympiads. Gulshan Club has always encouraged women's participation in sports, and we remain committed to creating more opportunities for female athletes to compete, grow, and inspire others. I also encourage fellow clubs to motivate and support more women to participate in the true spirit of sports and friendship.

A special word of appreciation goes to our President, M. A. Quader (Anu), whose vision, leadership, and tireless encouragement helped make Gulshan Club Olympiad 2025 the largest Olympiad in the Club's history. His efforts in bringing together an unprecedented level of support from our partners and sponsors provided the foundation for an event of this scale and excellence. I also extend my sincere gratitude to our Board of Directors, participating clubs, partners, venue partner, media partners and all the participating teams whose dedication transformed this vision into reality.

I would also like to make special mention of Mehadi Hasan, Mehdi Malek Sajib, Mehran Hussain Chowdhury, and Sabik Rahman. Their commitment, hard work, and countless hours of dedication behind the scenes were truly exceptional. They worked tirelessly, often round the clock, to ensure that every aspect of the Olympiad was executed smoothly. Without their unwavering support and unmatched dedication, the success of this Olympiad would not have achieved the success it did.

To my amazing Olympiad team, dynamic coordinators, convenors, co-convenors, captains, and the fantastic players you have once again proven that teamwork makes dreams come true. Your commitment and hard work are what keep this tradition alive and growing. Thank you all. I remain deeply grateful for your unwavering support and dedication.

Before I conclude, I would like to pay tribute to two cherished members of the Gulshan Club family whose contributions to our sporting culture will always be remembered with gratitude and affection.

We fondly remember Rizwan Javed Rahman, who was an integral part of the Gulshan Club Olympiad and whose leadership, tireless dedication, and unwavering support played a significant role in the success of this year's event. He led from the front in everything he did. Beyond the club, he was a kind-hearted soul, a loving father, a devoted husband, and a familiar face in our gym and sporting activities. We also remember Rubaiyat Jamil, a true gentleman whose passion and commitment transformed the Gulshan Club cricket team into the success story it is today. Through his tireless efforts, he built not only a strong and competitive team but also lasting friendships and earned the admiration of countless members over the years. As we celebrate the achievements of the Gulshan Club Olympiad 2025, let us also cherish the memories of beloved friends.

I conclude with the words of Muhammad Ali:

"Champions aren't made in gyms. Champions are made from something they have deep inside them—a desire, a dream, a vision."

I look forward to seeing the Gulshan Club Olympiad continue to grow in the years ahead, inspiring more athletes, welcoming more clubs, and strengthening the bonds of friendship that make this event truly special.

May the spirit of the Gulshan Club Olympiad continue to inspire us all for years to come.

Message

Respected Members,

Assalamu Alaikum and warm greetings.

It is with immense pride that I present the commemorative edition of The Gulshan Club Olympiad 2025. What began in 2019 as a bold initiative to unite Dhaka's leading social clubs through sports has now matured into a cherished tradition of fellowship, competition, and celebration. Except for the unavoidable pause during the pandemic years of 2020 and 2021, the Gulshan Club Olympiad has returned each year with renewed vigor, growing in scale and spirit.

Over the years, the Olympiad has become more than a sporting carnival-it is a festival of brotherhood. Clubs from across the country gather not only to compete but to strengthen bonds of friendship, nurture talent, and celebrate the joy of togetherness. The laughter on the fields, the cheers in the stands, and the camaraderie off the pitch all testify to the Olympiad's unique role in weaving our social fabric tighter.

Equally inspiring has been the performance of our home team, Gulshan Club Limited. With consistency and determination, our athletes have brought glory to the Club, championship titles in most editions and setting a benchmark of excellence. Their achievements reflect not only skill but also the collective spirit that defines Gulshan Club.

This chart reflects not only the expanding scale of participation but also the enduring dominance of Gulshan Club in the medal tally. The inclusion of new disciplines each year, such as Padel in 2025, further enriches the diversity and excitement of the games.

The Gulshan Club Olympiad, our most ambitious and cherished sporting festival, could never have reached such heights without the unwavering dedication and resourceful leadership of our beloved President, M. A. Quader (Anu), whose tireless efforts in fundraising and guidance made the impossible possible. As editor, I extend my heartfelt gratitude to all participating clubs for their enthusiastic involvement, to our sponsors and partners for their steadfast support, and to our members whose passion and commitment make this Olympiad possible. May this edition serve as a proud record of our shared journey and inspire future generations to carry forward the legacy of sportsmanship and fraternity.

It is with great honor that we recognize Dr. Wahiduzzaman Tamal as the Mastermind of the Gulshan Club Olympiad 2019. His dream, foresight, and dedication laid the foundation for this remarkable event, inspiring excellence and unity within the social club fraternity. Meet The Press

Where the Journey Begins

Before the first whistle blows, before the first medal gleams beneath the floodlights, there is a moment when the true spirit of sport announces itself quietly, powerfully, and with unmistakable grace. That moment arrived on the afternoon of Saturday, 25th October 2025, at the elegant Crystal Palace of Gulshan Club, as the curtain was ceremoniously lifted on the 5th Inter-Club Sports Carnival, the Gulshan Club Olympiad 2025.

The Meet the Press gathering was no ordinary press conference. Journalists, media personalities, sporting figures, celebrated celebrities, business leaders,

representatives of participating clubs and our Club members filled the room with an energy that transcended formality, creating a shared anticipation for something truly extraordinary.

The occasion became even more memorable when the running trophy, shining medals, and specially designed theme & jerseys of Olympiad 2025 were officially unveiled in front of the guests. Each item reflected the hard work, careful preparation, and sporting spirit behind this grand event. The unveiling received warm applause and created great excitement for the upcoming weeks of competition.

Mr. Tareq Rahman, Chairman of the Organizing Committee, captured the moment beautifully. What began in 2019 as a bold, pioneering vision has grown, year by year, into one of Bangladesh's most

prestigious inter-club sporting traditions, a living testament to the power of community, competition, and camaraderie. Furthermore, he emphasized the need to increase the number of female participants in the future editions of the Olympiad.

The scale of this year's Olympiad speaks for itself: 22 clubs, 24 teams, and over 1,200 athletes competing across 17 sports in 34 categories. These are not merely statistics. They are stories waiting to be written, friendships waiting to be forged, and memories waiting to last a lifetime.

Club President Mr. M. A. Quader (Anu) reaffirmed Gulshan Club's enduring commitment to sport, family, and inspiring future generations, values that have defined this institution since its very foundation.

With Diamond Partner Standard Chartered Bank, valued partners Prime Bank, BRAC Bank, and Mutual Trust Bank standing alongside, and T Sports carrying the spirit of the Olympiad to the nation, every element is in place.

The torch has been passed. The games are about to begin. Welcome to Olympiad 2025. Let us play, compete, and celebrate as one family.

Press Coverages

The Gulshan Club Olympiad 2025 earned widespread recognition across television broadcasts, newspaper publications, digital news portals, and social media platforms. For the first time, a dedicated social media content creator & influencer was specially assigned for social media coverage, further strengthening the event's digital presence and engagement. Interviews featuring the President and members of the Organizing Committee, alongside extensive print and digital coverage, reflected the event's growing stature and the pride it continues to inspire across the club community. The media attention stands as a fitting tribute to the scale, spirit, and exemplary organization of Olympiad 2025 and to the enduring prestige of Gulshan Club. Opening Ceremony

The Flame is Lit

There are evenings that linger long after the lights dim, evenings that engrave themselves into memory not for what was won, but for what was felt. Thursday, 30th October 2025 was one such evening. As dusk settled over the Tennis Court of Gulshan Club, something magnificent stirred. The 5th Inter-Club Sports Carnival, The Gulshan Club Olympiad 2025, had officially begun.

The atmosphere was nothing short of electric. Distinguished guests, proud Club members, spirited athletes, and their families gathered beneath the open sky, united by a singular, luminous purpose. The air hummed with anticipation as nearly 1,200 athletes representing 22 prestigious clubs stood on the threshold of ten extraordinary days of competition, camaraderie, and celebration.

Our Club President Mr. M. A. Quader (Anu) opened the ceremony with words that set the tone for everything to follow, a heartfelt reaffirmation of Gulshan Club's enduring commitment to family values, healthy competition, and the unifying power of sport. Chairman Mr. Tareq Rahman painted a vivid picture of the grandeur ahead: 24 teams, 17 sports, 34 categories, and this year, two inspiring new additions in Padel and Weightlifting, alongside commendable participation from women members.

Dr. Wahiduzzaman (Tamal), President of Gulshan Youth Club and Advisor of the Olympiad Organizing Committee, extended his warm felicitations, applauding Gulshan Club for providing a vibrant and inspiring platform that nurtures the youth and strengthens the bonds of Bangladesh's club community, with Gulshan Youth Club proudly serving as the venue partner of the Olympiad. Mr. Naser Ezaz Bijoy, Chief Executive Officer of Standard Chartered Bangladesh, spoke warmly of his institution's pride in partnering with the Olympiad, emphasizing that Standard Chartered's support reflected their deep belief in the power of

sport to bring people together and build stronger communities. Each speaker, in their own words, conveyed a shared conviction that the Gulshan Club Olympiad stands as a shining model of excellence, friendship, and togetherness that the entire nation can celebrate.

A breathtaking acrobatic performance captivated the audience, transforming the evening from ceremony into spectacle, a fitting overture to the athletic drama that lay ahead.

With the support of valued partners including Standard Chartered Bank, Prime Bank PLC, BRAC Bank PLC, Mutual Trust Bank PLC, Igloo, Ifad, Mum, T-Sports, BRUVANA, DOUR Apparel, York Hospital, and respected media partners, the Olympiad stands as a proud symbol of unity within Bangladesh's club community.

As the flame of the Olympiad was lit, Gulshan Club once again affirmed its enduring values: passion, pride, unity, excellence, friendship, and togetherness. The games had begun, but more importantly, a new chapter of shared memories had opened.

Arm Wrestling

Where Strength Meets Strategy and Champions Are Made

Arm Wrestling emerged as one of the most gripping and unforgettable features of Gulshan Club Olympiad 2025, embodying the strength, discipline, resilience, and sportsmanship that define the Club's proud sporting culture. Far more than a contest of force,

it unfolded as a compelling display of focus, technique, strategy, and mental resolve, drawing athletes, supporters, and member families into an atmosphere alive with excitement, pride, and fellowship.

Conducted on 6 and 7 November 2025 at the Gulshan Club Gym, Level 10, New Building, the tournament brought together an impressive field of competitors from many of the country's most respected clubs, including Bangladesh China Club Limited, Banani Club Limited, British High Commission Club, Cadet College Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, Gulshan North Club Limited,

GYC Chargers, GYC Dominators, and Uttara Club Limited. With thoughtfully organized categories for both men and women, ranging from 55–60 kg and 60–65 kg in the women's divisions to 65–70 kg, 70–75 kg, 75–80 kg, 80–85 kg, and 85–90 kg in the men's events, the competition highlighted not only physical power, but also composure under pressure and remarkable tactical ability.

The event was widely admired for its spirited participation and professional presentation. Social media coverage, interviews, and match highlights captured the intensity of the contest and reflected the growing stature of arm wrestling within the Club's sporting calendar. As host, Gulshan Club played a central role in promoting friendship, strengthening inter-club bonds, and encouraging healthy competition.

For Gulshan Club, the occasion was especially glorious. The exceptional performances of our athletes contributed significantly to securing

the Club's winning trophy, with weightlifting and arm wrestling playing a major part in that success. Gulshan Club's gold medalists, Sajeeb in the Men's 65–70 kg category, Mr. Rawan Ahmad Choudhury in the Men's 65–70 kg Left Hand event, and Fuad Alam in the Men's 75–80 kg division, brought distinction and honour to the Club. In every sense, Arm Wrestling at GC Olympiad 2025 stood as a proud expression of Gulshan Club's excellence, unity, and indomitable winning spirit.

Badminton

Competition Played with Passion, Remembered for Character

Badminton stood proudly among the finest attractions of Gulshan Club Olympiad 2025, reaffirming its place as one of the Club's most anticipated and passionately followed sporting events. Held from 31 October to 2 November 2025, with matches hosted at the Gulshan Club Indoor Badminton Court and the Gulshan Youth Club Indoor Badminton Court, the tournament brought together 13 participating clubs, 22 teams across the men's, women's, and mixed doubles events, and more than 65 players in a stirring celebration of skill, discipline, teamwork, and sportsmanship. Under the convenorship of Mehtaz Kamal Khan and the co-convenorship of Nagir Ahmed Apurbo, the event unfolded with remarkable energy

and elegance. From the first serve to the final point, the atmosphere was electric, with members, families, and supporters filling the courts with pride, enthusiasm, and unwavering encouragement.

The standard of competition was exceptional throughout. In the Men's Team Event, GYC Chargers emerged as deserving champions and claimed the gold medal, while Chittagong Club Limited secured the silver medal. Gulshan Club earned the bronze medal, reflecting the Club's strong and spirited presence in the tournament. In the Women's and Mixed Doubles category, GYC Dominators claimed the gold medal with a commanding performance, while Gulshan Club proudly secured both the silver and bronze medals, a

remarkable achievement that highlighted the depth of talent within the Club. Yet, beyond the medals and standings, the true beauty of the tournament lay in the character it revealed.

Among the most inspiring moments of the Olympiad was the extraordinary resilience of Tahiya Zaman Chowdhury, who represented Gulshan Club in the final of the Women's and Mixed Doubles category. Battling injury and painful cramps, she rose not once but three times, each return to the court reflecting rare courage, determination, and an unyielding fighting spirit. Though she could eventually continue no further, she left the court having already achieved something far greater than victory alone. Her bravery, composure, and refusal to surrender embodied the very essence of Gulshan Club and marked her as a true champion in every sense.

The tournament was further illuminated by the remarkable promise of 14-year-old Mustaeer Mamir Bin Abdus Salam, whose talent and dedication signal a bright future ahead. In every rally, every cheer, and every act of sportsmanship, badminton at GC Olympiad 2025 proved itself not merely a competition, but a proud expression of Gulshan Club's enduring spirit, unity, and excellence.

Basketball

Played with Honour, Remembered with Pride

The courts of Gulshan Youth Club became a stage for something truly special when the Gulshan Club Olympiad 2025 brought its basketball events to life. The Men's competition ran from 31st October to 2nd November, and the Women's competition from 31st October to 1st November 2025. Over those few charged and memorable days, the venue hummed with the unmistakable energy of athletes who came not merely to compete, but to represent their clubs with honour.

The Men's tournament gathered six distinguished institutions: AEEA (The American Club), Chittagong Club Limited, Dhaka Club Limited, Gulshan Club Warriors, Saints Club Limited, and Uttara Club Limited, with 38 players contesting every possession with intensity and grace. The Women's event was equally stirring, as 72 athletes from AEEA, Banani Club Limited, Gulshan Club Avengers, Gulshan Club

Warriors, GYC Chargers, and GYC Dominators brought skill, spirit, and remarkable competitive depth to the hardwood.

When the final tallies were made, Chittagong Club Limited claimed Gold in the Men's event, with Gulshan Club Limited earning Silver and Saints Club Limited taking Bronze. In the Women's competition, AEEA secured Gold with a commanding campaign, Gulshan Club Limited were awarded Silver, and a well-deserved shared Bronze was presented to Gulshan Club Limited and Banani Club Limited.

Yet amid the celebration, the basketball community pauses in solemn reflection. The sudden passing of Rizwan Javed Rahman, Co-Convenor of the Men's Basketball event, has left a deeply felt void. His commitment to this tournament was tireless and genuine, and his memory will remain woven into the spirit of everything these courts represented.

The Gulshan Club Olympiad 2025 reminded us, once again, that the finest competitions are those that leave participants and spectators alike richer in friendship, prouder in community, and more deeply connected to the values that define this club.

Billiards

Masters of the Table, Champions of Character

Billiards has always belonged to a world of its own, a world of hushed concentration, refined skill, and the kind of quiet drama that holds a room completely still. At Gulshan Club Olympiad 2025, that world came magnificently alive in the newly extended Snooker Room, a proud addition brought to fruition under the vision of Club President Mr. M. A. Quader (Anu), as the Snooker Room on Level 4 of the New Building became the setting for two days of compelling, high-calibre competition that showcased the very best of club sportsmanship.

Held on 6 and 7 November 2025, the tournament was steered with dedication and care under the convenorship of Mr. Tazbir Salehin (Sohail) and the co-convenorship of Mr. Tashfeen Ahmed, whose meticulous organisation ensured the event unfolded with the elegance and precision the sport deserves. The Team Event welcomed six distinguished clubs to the table, including Chittagong Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, Narayanganj Club Limited, and Uttara Club Limited. Though compact in field, the tournament was rich in quality, as each team arrived with genuine intent, careful preparation, and a deep respect for the craft that Billiards demands. The atmosphere

throughout was one of focused elegance, with players moving around the table with deliberate grace, reading every angle with care, and executing their shots with a composure that reflected hours of dedicated practice.

What unfolded over the two days was a tournament of absorbing contest and admirable character. Every frame was played with intensity and mutual respect, and the standard of play drew genuine appreciation from all who gathered to observe.

When the final frames were concluded, it was Gulshan Club Warriors who rose to claim a magnificent gold, with Tazbir Salehin and Farhanur Rahman Chowdhury delivering performances of outstanding brilliance. Narayanganj Club Limited, represented by Dipon and Jakaria, earned a well-deserved silver, while Gulshan Club Avengers, through the composure and skill of K. P. Arif Ali and Asif Hanif, claimed a proud bronze, ensuring the Club celebrated a remarkable one-two finish.

In every carefully placed stroke and gracefully accepted result, Billiards at GC Olympiad 2025 reaffirmed that the greatest champions carry both a cue and a character worthy of admiration.

Chess

The Game of Minds Finds Its Home at Gulshan Club

Chess has always been more than a game. It is a conversation between two minds, a quiet battle of patience and perception, and at Gulshan Club Olympiad 2025, it spoke with a clarity and warmth that touched everyone who witnessed it.

On 3rd November 2025, the Lamda Hall of Gulshan Club's Old Building became a sanctuary of thought and concentration. Seventeen clubs sent their finest minds to compete, representing a truly remarkable cross-section of the country's club community, from The American Club, Bangladesh China Club Limited, Baridhara Cosmopolitan Club Limited, British High Commission Club, Chittagong Club Limited, Dhaka Boat Club Limited, Saints Club Limited, Sylhet Club Limited, Uttara Club Limited, and many more. Across four carefully organized groups, thirty-five players took their seats, and for hours, the only language spoken was the silent one of strategy, patience, and unwavering will.

What made the day truly special was not simply the competition, but the people within it. These were not just players; they were thinkers, dreamers, and quiet warriors who had prepared long and hard for this moment. Friends became opponents across the board, and opponents became friends again the moment the final piece was placed. Families watched in breathless anticipation. Supporters leaned in close, following each move as though the fate of something much greater than a game hung in the balance.

The standard of play throughout was admirable, with each round producing games of genuine depth and character. When the final positions were settled, Cadet College Club Limited rose to claim gold with composed and brilliant precision, Saints Club Limited earned a richly deserved silver, and Gulshan Club took a proud bronze.

Chess at Gulshan Club Olympiad 2025 was a reminder that some of sport's greatest moments happen in stillness, where two people sit across from each other, the world outside fades away, and for a while, nothing matters but the beauty of the game.

Cricket

Ten Overs, Two Hundred Hearts, One Unforgettable Tournament

When cricket arrives at Gulshan Club, it does not simply bring a sport. It brings an entire world with it: the noise, the nerves, the moments of individual brilliance, and the collective roar of a crowd fully invested in every delivery. At Gulshan Club Olympiad 2025, the T-10 Cricket tournament delivered all of that and more, emerging as one of the most widely celebrated and emotionally charged events of the entire Olympiad.

Held from 31 October to 8 November 2025 at Gulshan Youth Club, the tournament united thirteen clubs and nearly two hundred players in a competition of remarkable scale and spirit. Teams representing The American Club, Banani Club Limited, Bangladesh China Club Limited, British High Commission Club, Cadet College Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, Sylhet Club Limited, and Uttara Club Limited each brought their own identity, ambition, and energy to the competition, producing a tournament that grew in intensity and quality with every passing round.

Throughout the event, the standard of cricket was exceptional. Every match reflected not only

athletic skill but also composure under pressure, genuine teamwork, and the kind of sportsmanship that makes competition worthwhile. Families filled the boundary, members cheered passionately, and the ground hummed with a fellowship that extended well beyond the result of any single game.

The grand final was a fitting and spectacular conclusion. GYC Dominators posted a commanding 159 for 4 from their ten overs, with Tanzir (GYC Dominators) producing a dazzling 71 off just 27 balls to claim both Player of the Match and Best Batter honours. Gulshan Club Warriors responded bravely with 126 for 3, with Syed Naushad (GC Warriors) delivering a brilliant 65 off 31 balls, including 6 fours and 4 sixes, earning silver with great credit. Dhaka Boat Club Limited claimed bronze, while Harsh Tewari Rehan (GYC Dominators) was named Best Bowler, Farhan (GC Warriors) finished as the tournament's highest run-scorer, and Wasik (GC Warriors) led the wicket charts.

Cricket at Gulshan Club Olympiad 2025 was far more than a tournament. It was ten days of passion, pride, and the purest expression of everything this Club holds dear.

Football

Where Every Tackle Told a Story and Every Goal Wrote History

When football takes centre stage, everything else fades away. The roar of the crowd, the thud of boot on turf, and the breathless chase for goal create a spectacle unlike any other, and at Gulshan Club Olympiad 2025, the beautiful game delivered all of this and much more. It brought together clubs, communities, and members in a magnificent celebration of athletic excellence, teamwork, and sportsmanship.

The Men's 7-a-Side Football tournament was held from 1 to 3 November 2025 on the vibrant turf of Gulshan Youth Club, welcoming thirteen clubs and more than 130 players across four competitive groups, under the convenorship of Mr. Eshrak-E-Moazzem and the co-convenorship of Mr. Sameer Rahman. Teams arrived with ambition and determination, representing a distinguished cross-section of clubs from across the country and beyond, including AEEA (The American Club), Banani Club Limited, Bangladesh China Club Limited, British High Commission Club, Cadet College Club Limited, Chittagong Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, Saints Club Limited, The International Club Dhaka, and Uttara Club Limited. From the opening whistle, the tournament pulsed with energy, skill, and the kind of wholehearted passion that only football can inspire.

Each day produced fresh drama, closely fought encounters, and moments of individual brilliance that kept spectators fully engaged. The group stages were fiercely contested, with every team playing not only for points, but for pride. The turf became a stage where character was revealed, friendships were strengthened, and the finest values of sport were displayed with admirable grace.

The third-place match between British High Commission Club and Cadet College Club Limited was a thrilling contest that ended 2-2, before Cadet College Club secured the bronze medal with a composed 2-0 victory in the tie-breaker. The final was equally gripping, as AEEA (The American Club) defeated Uttara Club Limited 2-1 in a hard-fought encounter to claim the gold medal for the first time,

with Uttara Club earning a well-deserved silver.

Yet beyond the trophies and results, it was the spirit on the pitch, the unity, the determination, and the genuine joy of competition that made Football at GC Olympiad 2025 a proud and unforgettable chapter in the Club's sporting history.

Across the manicured fairways and challenging greens of Kurmitola Golf Club on 1st November 2025, the Gulshan Club Olympiad 2025 found one of its most graceful expressions. The Golf Team Event brought together some of the finest club golfers in the country for a day of elegant competition, warm fellowship, and the special sporting honour that golf is known for.

The Regular category brought together fifteen clubs, each represented by four players, with a total of sixty competitors from Dhaka and beyond. AEEA, All Community Club Limited, Bangladesh China Club Limited, Banani Club Limited, Baridhara Cosmopolitan Club Limited, British High Commission Club, Cadet College Club Limited, Chittagong Boat Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, Saints Club Limited, and Uttara Club Limited brought strong teams to the course. The Seniors category was equally impressive, featuring thirteen clubs and twenty-seven experienced players, including the notable participation of Baridhara Diplomatic Enclave Club Limited and Gulshan North Club Limited, adding welcome variety to an already respected field.

The competition moved forward with the calm and steady grace that golf demands, as each team played the course with focus, planning, and the composed mindset that the sport rewards most. In the Regular event, Cadet College Club Limited claimed a well-deserved Gold, with Dhaka Club Limited earning Silver and Gulshan Club Limited securing a proud Bronze. The Seniors event produced its own moments of excellence, with Uttara Club Limited taking Gold, Chittagong Boat Club Limited earning Silver, and Chittagong Club Limited completing the podium with Bronze.

Beyond the scorecards and medals, the golf events of Olympiad 2025 offered something equally meaningful: an afternoon of friendship shared among clubs, generations, and communities united by their love of the game.

Gulshan Club has always understood that the finest competitions leave participants not only with results, but also with memories worth carrying long after the final putt has dropped.

Pool

Precision, Poise, and the Art of the Perfect Shot

In every measured stance and deliberate stroke, Pool at GC Olympiad 2025 affirmed that greatness often arrives not with a roar, but with the quiet, satisfying click of a perfect shot finding its mark.

Padel

New to the Olympiad, Electric from the First Rally

There is a certain poetry to padel: the wall that returns what the opponent sends, the partnership that succeeds only when two minds move as one, the court that rewards not merely power, but patience, precision, and trust. At the Gulshan Club Olympiad 2025, that poetry found its fullest expression across three memorable days at the courts of Bashundhara Sports City, from 5th to 7th November 2025. Making its historic debut as a brand new addition to the Gulshan Club Olympiad, Padel announced its arrival not with quiet modesty, but with the full force of a sport ready to claim its place among the Olympiad's finest traditions.

The Men's Team Event drew seven clubs to the competition, with AEEA, Chittagong Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, and Uttara Club Limited collectively fielding 40 players across the tournament. The Women's and Mixed Doubles category further enriched the programme, with five clubs: AEEA, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, and GYC Dominators, bringing 28 participants and a compelling blend of athleticism and intuitive partnership to the draw.

Throughout the three days, the standard of play was consistently impressive. Teams arrived not merely to compete but to

represent their clubs with distinction, and the courts at Bashundhara Sports City proved a worthy stage for the occasion. Rallies were fiercely and skillfully contested, partnerships were well-drilled and purposeful, and the atmosphere between competing clubs remained warm, respectful, and thoroughly in keeping with the Olympiad's finest traditions.

When the medals were presented, AEEA emerged as the dominant force, claiming Gold in both the Men's Team and the Women's and Mixed Doubles category, a commanding performance that reflected exceptional preparation and collective cohesion. In both events, Gulshan Club Limited secured both the silver and bronze positions, a remarkable double podium achievement that spoke volumes about the depth of talent within the host club's ranks.

The Padel events of Olympiad 2025 were a vivid reminder that the finest sport, like the finest poetry, is most beautiful when every element: skill, trust, and spirit, moves in perfect harmony.

QUIZ

Seventy Minds, One Stage, and the Thrill of Shared Knowledge

Intelligence, calmness, and the quiet excitement of shared knowledge made the Quiz competition of the Gulshan Club Olympiad 2025 a truly engaging event within the larger tournament. On 1st November 2025, the elegant Crystal Palace at Gulshan Club provided a fitting setting for one of the Olympiad's most awaited team events, where wit, knowledge, and teamwork proved just as important as speed or strength.

Thirteen teams gathered for the occasion, representing some of the city's most respected institutions. AEEA, Bangladesh China Club Limited,

Banani Club Limited, Baridhara Cosmopolitan Club Limited, The British Aid Guest House Association Club, the British High Commission Club, Cadet College Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, GYC Dominators, Saints Club Limited, and the two home teams, Gulshan Club Avengers and Gulshan Club Warriors, brought a combined 70 participants to the floor. The presence of diplomatic missions alongside well-known city clubs gave the competition an international and lively character, perfectly matching Gulshan Club's traditions.

The contest was closely fought throughout, with every team showing strong knowledge, steady focus, and the friendly teamwork that comes from true group effort. The evening was masterfully conducted by Gulshan Club's very own Quiz Master, Mr. Farhan Quddus, whose engaging presence and sharp command of the contest kept every round alive with energy and anticipation. When the final scores were counted, it was a proud moment for the host institution. Gulshan Club claimed both Gold and Silver, with the Warriors and Avengers delivering performances of excellent quality. AEEA completed the podium with a well-earned Bronze, reflecting their consistency and

calmness across every round.

Yet beyond the medals, what remained was the atmosphere of active and joyful competition that filled the Crystal Palace. Minds were sharpened, friendships were strengthened, and communities were brought closer in the finest spirit of the Olympiad.

Gulshan Club has always believed that excellence takes many forms, and on this occasion, it appeared through the calm and confident power of knowledge pursued with passion and grace.

Snooker

Calm Nerves, Sharp Minds, and the Thrill of the Perfect Frame

Snooker is a sport that rewards the composed, challenges the bold, and reveals the true character of every player who steps up to the table. At Gulshan Club Olympiad 2025, it did all three in captivating fashion, combining calm nerves, sharp minds, and the thrill of the perfect frame.

Held from 2 to 5 November 2025 at the Snooker Room on Level 4 of the New Building, the tournament was steered with authority and deep sporting knowledge under the convenorship of veteran snooker player Mr. Latiful Bari and the co-convenorship of Mr. Asif Hanif, and brought together twelve clubs and over forty players in a contest defined by exceptional skill, patience, and tactical intelligence. The participating clubs, among them All Community Club Limited, The American Club, Banani Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, Narayanganj Club Limited, Sylhet Club Limited, and Uttara Club Limited, each arrived with purpose, pride, and a determination to leave their mark on the table.

Over four absorbing days, the Snooker Room became a theatre of concentration and craft. Frames were contested with remarkable intensity, and the standard of play throughout reflected the genuine depth of talent across all competing clubs. The atmosphere was electric yet measured, the kind only snooker can produce, where tension builds in silence and is released in a single decisive shot.

The final was a contest of the highest order. Dhaka Club Limited, represented by Diamond and Tanim, claimed gold with a commanding 3-1 victory. Gulshan Club's Tashfeen Ahmed and Tazbir Salehin earned a richly deserved silver, while Chittagong Club Limited took a proud bronze. In every precise stroke and every gracefully conceded frame, Snooker at GC Olympiad 2025 reminded us that brilliance, at its finest, is always measured and magnificent.

Squash

Effort Was the Strategy – Excellence Was the Reward

Few sports demand the mix of quick reflexes, stamina, and mental strength that squash requires, and at the Gulshan Club Olympiad 2025, the sport delivered that intensity in every way. From 31st October to 2nd November 2025, the Gulshan Club Squash Court came alive with the sharp sound of rackets, the fast movement of the ball, and the steady determination of competitors who came to test themselves at the highest level of inter-club competition.

Six clubs took part in the team event, bringing a total

of 24 athletes to the court. AEEA, Bangladesh China Club Limited, Chittagong Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, and Uttara Club Limited each presented their finest players, creating a strong and varied field of competition. From the very first rallies, it was clear that every team had come prepared to give their best. Each rally was played with focus, and every point was chased with the calm intensity that makes squash one of the most demanding and exciting events in the Olympiad.

The level of play throughout the three days was

consistently impressive, with matches showing discipline, preparation, and true sporting spirit. Smart tactics were just as visible as physical fitness, and over those days, the court became a powerful stage where individual effort was expressed through team commitment.

When the final results were confirmed, Chittagong Club Limited emerged as deserving Gold medalists, their performance marked by consistency and sharp precision. The Silver and Bronze medals were both claimed by Gulshan Club Limited, a remarkable double podium finish for the host institution and a proud achievement for players, supporters, and the wider club community alike.

Yet the true value of the competition went beyond the podium. Every team that stepped onto the court reflected the values the Olympiad holds dear: respect for opponents, grace in victory and defeat, and a steady commitment to the sport itself.

In competition, as in community, it is honest effort that remains longest in memory.

Swimming

Lane by Lane, Stroke by Stroke, and Always in the Finest Spirit

There is a special quietness before a swimming race, a moment when athletes, officials, and spectators seem to hold their breath together. At the Gulshan Club Olympiad 2025, that quietness repeatedly turned into moments of true sporting excellence. On 3rd November 2025, the Gulshan Club Swimming Pool at the Old Building became the setting for one of the Olympiad's most elegant and strongly contested events, bringing together swimmers from fourteen respected institutions across the country.

The event was arranged across four categories, showing both the wide participation and the thoughtful inclusiveness that have become an important part of the Olympiad. In the Men's 21 to 40 category, five clubs presented their best swimmers: AEEA, Cadet College Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, and Narayanganj Club Limited, with ten athletes competing with speed and focus. The Men's 41 to 60 category was the largest, featuring ten clubs and seventeen competitors, including Bangladesh China Club Limited, the British

High Commission Club, GYC Chargers, GYC Dominators, and Uttara Club Limited, whose participation added a welcome international touch to the event. The Men's Open category brought together nine clubs and thirteen swimmers, while the Swimming Open event completed the day with five clubs and seven participants, adding more variety and depth to the program.

AEEA (The American Club) emerged as the leading team across all three medal categories, winning Gold in the Men's 21 to 40, Men's 41 to 60, and Open events. Cadet College Club Limited secured Silver in both the 21 to 40 and Open categories, while Narayanganj Club Limited earned Silver and Bronze in the 41 to 60 age group, showing steady strength and impressive calmness throughout the competition.

Still, the real value of the day went far beyond the medal results. In the calm waters of Gulshan Club's pool, swimmers of different ages and skill levels competed with respect, encouragement, and a quiet pride that did not need a podium to be recognized.

The Gulshan Club Olympiad 2025 reminded its community once again that the pursuit of excellence becomes most meaningful when it is shared together, lane by lane, stroke by stroke, and always in the finest spirit of the club.

Table Tennis

Skill at Its Sharpest, Community at Its Warmest

and shared pride. Fast-paced rallies, sharp reflexes, and tactical brilliance made every match a captivating spectacle, while the warmth of member support and the joy of participation reflected the deeper purpose of the Olympiad to strengthen friendship, unity, and healthy competition within the club community.

The tournament welcomed 16 participating clubs in the Team Event, with a strong field of competitors representing AEEA (The American Club), All Community Club Limited, Bangladesh China Club Ltd., Baridhara Cosmopolitan Club Limited, The British Aid Guest House Association Club, Cadet College Club Limited, Chittagong Boat Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Chargers, GYC Dominators, Saints Club Limited, and Uttara Club Limited. With more than 60 players taking part, the event showcased not only remarkable skill and concentration, but also sportsmanship, mutual respect, and the strong competitive spirit that defined the Olympiad throughout.

For Gulshan Club, the tournament was a source of great pride. Rising to the occasion with confidence and composure, Gulshan Club captured the gold medal in the Team Event, while Saints Club Limited earned silver and Cadet College Club Limited secured bronze. Beyond the results, Table Tennis proved to be a shining example of the Olympiad's enduring values excellence, togetherness, and the unifying power of sport leaving behind memories that will be cherished long after the final point was played.

Tennis

Grace Under Pressure, Glory on the Court

There are sports that test the body, and there are sports that test everything. Tennis, at its finest, does precisely that. At Gulshan Club Olympiad 2025, the courts became a stage for some of the most graceful, competitive, and deeply satisfying moments of the entire Olympiad, confirming Tennis as one of the event's most admired and eagerly followed competitions.

Held from 1 to 4 November 2025 at the Gulshan Club Tennis Court, the tournament brought together a distinguished field of clubs across two categories. The Men's Team event featured participants from The American Club, The British Aid Guest House Association Club, British High Commission Club, Cadet College Club Limited, Chittagong Club Limited, Dhaka Boat Club Limited, Dhaka Club Limited, Gulshan Club Avengers, Gulshan Club Warriors, GYC Dominators, and Uttara Club Limited. The Mixed Doubles drew equally impressive representation, with clubs including The American Club, The British Aid Guest House Association Club, Chittagong Club Limited, Dutch Club Dhaka, Gulshan Club Warriors, Sylhet Club Limited, and Uttara Club Limited adding remarkable depth and variety to the competition.

Throughout the four days, the courts resonated with the rhythm of high-quality tennis: baseline rallies of genuine quality, serve-and-volley exchanges played with precision, and doubles partnerships built on trust,

communication, and shared determination. Members and supporters gathered courtside in fine numbers, lending warmth and enthusiasm to every session and creating an atmosphere that balanced competitive intensity with the elegance this sport naturally commands.

The results brought particular pride to Gulshan Club. In the Men's Team event, Gulshan Club claimed a magnificent gold, with Gulshan Youth Club taking silver and Gulshan Club adding further distinction with bronze, a sweep that spoke volumes. In Mixed Doubles, Dutch Club Dhaka claimed gold, Gulshan Club earned silver, and The American Club took bronze.

Tennis at GC Olympiad 2025 was sport played with skill, contested with honor, and remembered with great pride.

Weightlifting

A Debut Forged in Strength, Crowned in Glory

Some debuts arrive quietly. This came with a bang. Weightlifting made its entrance at Gulshan Club Olympiad 2025 with the force and conviction of a sport that had always belonged here, and in doing so, immediately established itself as one of the most powerful and emotionally resonant chapters of the entire Olympiad.

Held on 3 and 5 November 2025 at the Gulshan Club Gym, the event was steered with dedication by Convenor Mr. Faiyaz Kajal and Co-Convenor Mr. Syed Md. Samman Mawla, bringing together six clubs: Bangladesh China Club Limited, British High Commission Club, Gulshan Club Avengers, Gulshan Club Warriors, Gulshan North Club Limited, and Uttara Club Limited, in a competition built around the three classic lifts: Squat, Bench Press, and Deadlift.

Each discipline demanded multiple attempts, testing not only the limits of physical strength but also the composure, precision, and mental fortitude that separate good athletes from great ones.

What the platform revealed, however, was only the final chapter of a much longer story. Behind every lift stood weeks of rigorous training, personal sacrifice, physical pain, and unrelenting discipline. Gulshan Club's athletes had prepared not merely to compete, but to excel, and when competition day arrived, the gym responded in kind, filling with cheering members, cameras, and an atmosphere charged with collective pride and expectation.

The results were nothing short of magnificent. In Squat, Gulshan Club claimed gold and silver, with Bangladesh China Club Limited earning bronze. In both Deadlift and Bench Press, Gulshan Club achieved a remarkable clean sweep, taking gold, silver, and bronze in each. Rawan Ahmad Choudhury's gold in Squat, Anis Uz Zaman's triumph in Deadlift, and Alhan Rahman's commanding Bench Press performance were defining moments that collectively secured the Club's Running Trophy.

Weightlifting at GC Olympiad 2025 was not simply a new event on the calendar; it was a statement of intent, delivered in the most powerful way possible.

Closing Ceremony

A Night to Remember Forever

Some nights are not merely concluded, they are immortalized. Saturday, 8th November 2025 was precisely such a night. As the Tennis Court of Gulshan Club glowed beneath a canopy of celebration, ten extraordinary days of sport, spirit, and solidarity reached their magnificent crescendo. The Award Night and Closing Ceremony of the 5th Inter-Club Sports Carnival, The Gulshan Club Olympiad 2025, had arrived.

The atmosphere was one of joyful reflection. Athletes who had competed with fierce determination now stood together as brothers and sisters in sport, their rivalries softened into lasting friendships. Families, members, and distinguished guests filled the evening with warmth, pride, and quiet reverence for what had been achieved.

The evening opened with ceremony befitting the occasion. The Convenor and Co-Convenor were honoured with crests, the Master of Ceremonies welcomed all to the stage, and Mawlana Amirul Islam graced the gathering with a recitation from the Holy Quran, a moment of spiritual dignity that set the tone for all that followed.

Chairman Mr. Tareq Rahman's address captured the Olympiad's vision with clarity and conviction, after which a curated LED presentation swept the audience through ten days of unforgettable competition. Seven partners and fellow Club Presidents were then honoured with crests, each one a testament to the alliances that made this event possible.

What followed was a tribute to the people behind the spectacle. Mr. Mehadi Hasan, Vice Chairman of the Olympiad Organizing Committee and Director Administration, paid moving homage to the GCL staff whose quiet, tireless dedication formed the backbone of every day's proceedings. Fellow Vice Chairmen of the Organizing Committee, Director Finance Ms. Nafisa Tarannum and Director Sports Mr. Mehedi Malek Sajib, each added their voice, together painting a portrait of an institution that leads not just with ambition, but with care.

Our Club President Mr. M. A. Quader (Anu) and Chairman Mr. Tareq Rahman presided over the ceremony with grace, honouring not just the champions, but the collective spirit that made the Olympiad truly exceptional. This year brought with it a significant new tradition, the Running Trophy, claimed

had made the Olympiad possible. The crowning gesture of the evening came when the President placed the Running Trophy into the hands of its rightful champions, a moment that will echo through the Club's history for years to come. An official photo session brought together the

by Gulshan Club Limited as overall champions with an outstanding 35 medals: 10 Gold, 13 Silver, and 12 Bronze. AEEA delivered a brilliant performance, while Cadet College Club and Gulshan Youth Club equally distinguished themselves with remarkable medal hauls.

The evening's corporate partners added their own distinguished voices to the programme. Mr. Lutful Habib, Head of Wealth and Retail Banking Bangladesh at Standard Chartered Bank, led the partner addresses with warmth and conviction, followed by representatives from Prime Bank, BRAC Bank, and Mutual Trust Bank, each affirming their pride in supporting a tournament that embodies the very values of community and excellence. T-Sports, as Media Partner, and Dour, as Jersey Partner, shared in this chorus of appreciation, while Dr. Wahiduzzaman (Tamal), President of Gulshan Youth Club, rounded out the addresses as Venue Partner, his words a gracious acknowledgement of the shared home that made competition possible.

Yet the evening transcended trophies. Event partners, media partners, and all who contributed to this grand undertaking were honoured with commemorative crests, a gracious acknowledgement that great events are built by many hands.

Among the evening's most cherished moments came the Champion Trophy handover to the Cricket Team, a recognition of excellence earned through rigorous contest. President Mr. M. A. Quader (Anu) then personally honoured the Board of Directors and Organizing Committee, and in a moment of particular distinction, a Special Crest was presented to Ms. Tahiya Zaman Chowdhury of the Badminton Team in recognition of her remarkable contribution. The Chairman, in turn, honoured the President with a crest. Rising to the podium, the President delivered a speech of genuine warmth, extending his heartfelt gratitude to every partner and supporter whose generosity and belief

Convenor, Co-Convenor, teams, and partners in a frame that will forever capture the spirit of Olympiad 2025.

As Band of Brothers filled the night with music and the cultural programme painted the closing hours with colour and joy, one truth resonated above all else, the Gulshan Club Olympiad is not simply a sporting event. It is a living, breathing expression of everything this Club holds dear.

When the music paused briefly to welcome dinner and then swelled once more into the night, the joy that filled the Tennis Court was unmistakable. Band of Brothers returned to the stage, and the celebration that had begun as ceremony deepened into something altogether more personal, an evening shared among friends who had competed, served, partnered, and supported a vision larger than any single result. This was not merely a closing night. It was a gathering of a community at its finest.

Unity. Excellence. Friendship. Pride. Until we meet again, Olympiad 2026 awaits.
